OUR MISSION STATEMENT

The Cottage Grove Chamber of Commerce mission is to promote and create a positive, economic, political, agricultural, educational and social environment in the Cottage Grove Community and protect the business interests of its members.

The Cottage Grove Chamber of Commerce would like to welcome new residents to Cottage Grove and thank established residents of Cottage Grove for using our local businesses. The Chamber of Commerce established this community guide in 2003 to make the community aware of the businesses and opportunities available in Cottage Grove. The Guide has been well received by the community and will be an ongoing chamber project. We hope this years Community Guide will assist you throughout the year and help you discover the diversity of businesses throughout Cottage Grove.

A LETTER FROM THE CHAMBER PRESIDENT

2015 is an exciting year for the community of Cottage Grove. Multiple businesses are locating here. Chamber businesses will engage the community through our Family Fun Night in July and Christmas in the Grove in December. The Chamber will also launch an awareness campaign showcasing the businesses we have and the importance of supporting them. We also seek movement on the bike trail and continue to support responsible economic development.

Cottage Grove itself is an invaluable asset to business. Businesses enjoy the support of both a loyal, growing community and other businesses. The connection to Interstates 90/94 and Highways 12/18 along with the proximity to major markets in Madison, Milwaukee, and Chicago provide convenience few communities can match. Combine the location with the benefits of small town Wisconsin and it is clear to see why current businesses love it here and the interest is high to relocate or start new in Cottage Grove as well.

Our goal this year is to continue to engage you whether you are a resident or visitor. I encourage you to visit our website www.cottagegrovechamber.com or find us on Facebook. We provide information on local businesses and timely updates on community and Chamber events. We hope to see you at one of our many events this year.

Thank you for supporting local business. Enjoy this wonderful community!

Mike Millage *Cottage Grove Chamber Board President*

Cottage Grove is a friendly, small town situated conveniently between the major transportation routes of Interstate 94 and Highways 12 and 18. Only 5 minutes from Madison's east side and 10 minutes from the Dane County Regional Airport, Cottage Grove realizes both the benefits of small town Wisconsin, as well as, the metropolitan culture and advantages of nearby Madison.
